

## Microsoft RMS Customer Rewards

- RMS Customer Rewards tracks purchase points for customer purchases.
- Points are tracked to a customer or specific authorized buyers for a customer.

- An RMS Voucher is created when points reach a pre-set limit.
- Any Voucher balance is displayed in HTML status area for set customer or buyer.
- Cashier can enter Voucher or scan a printed Voucher.
- Voucher is used for payment using the Voucher tender type or with any split tender.
- Voucher remaining balance is tracked and displayed on the receipt.
- Subsequent purchases add to the Voucher balance.
